Featured Job Upgrade - \$99 CAD per job

v

Payment Status

Paid - \$99 CAD

PAYMENT SUCCESSFUL

Featured Job Upgrade is ready

14 full days after approval and publication

This job will receive featured homepage placement and a highlighted banner.

No receipt or additional package buttons are required here.

- ✓ Payment verified
- ✓ Linked to this Job ID
- ✓ No recurring charge
- ✓ Starts after publication

USE CASE

Payment succeeds and CanadaHires verifies it.

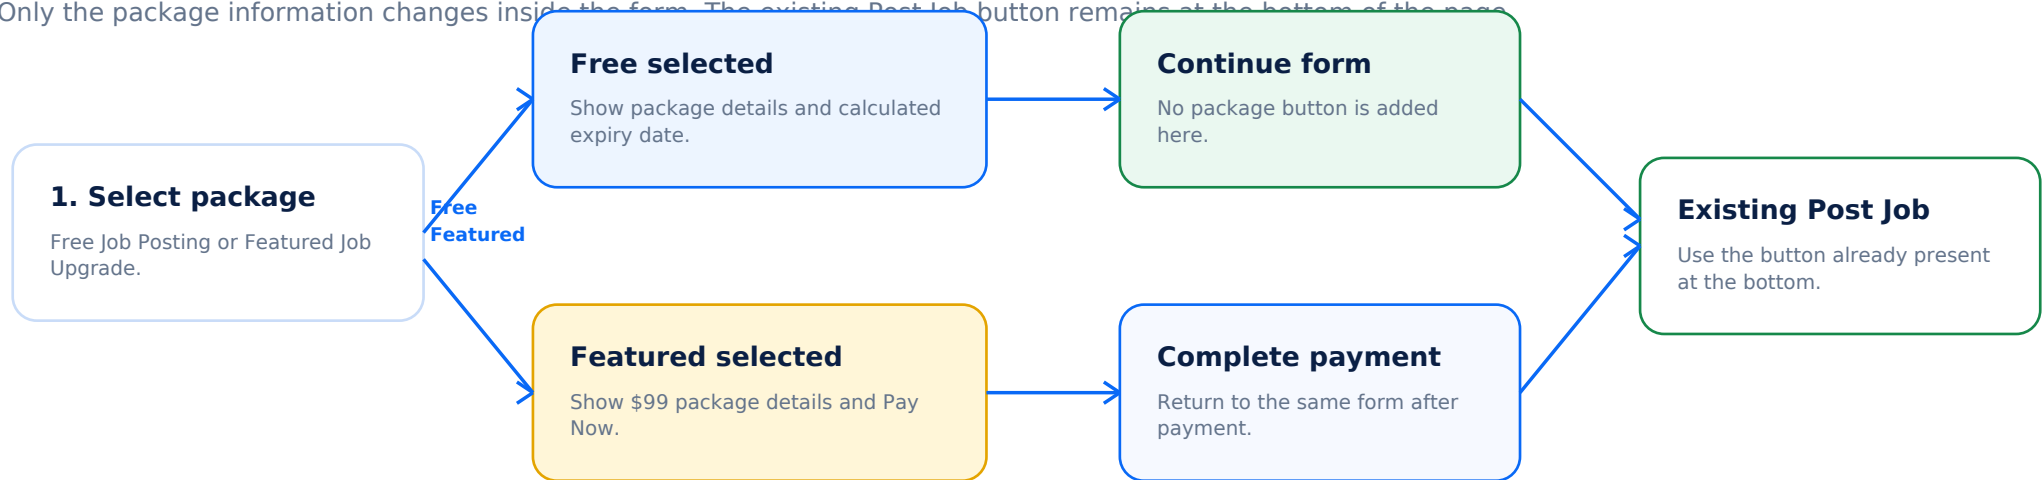

EXPECTED RESULT

Payment status becomes Paid. Employer continues the same form and uses the existing Post Job button at the bottom.

SIMPLE IMPLEMENTATION

Final approved package flow

Only the package information changes inside the form. The existing Post Job button remains at the bottom of the page.

Required backend behaviour

- ✓ If Free is selected, calculate and display the expiry date automatically.
- ✓ If Featured is selected and unpaid, Pay Now returns to the same form.
- ✓ After payment, show only a short Payment Completed message. No receipt button is required.
- ✓ If Post Job is clicked while Featured is unpaid, block publishing and show Payment Required.

No additional package actions

Do not add Post Job, View Receipt, Switch Package or any duplicate submission buttons inside this section.
